

Well done to all students, staff and parents/carers who have worked hard this year. Their determination will help them in any results they get but it is also a life lesson.

There have been many more events and opportunities this year and we hope even more next year. If any parents/carers etc would like to get involved and support please let us know we are keen to bring more of the community through our doors. If you have anything to advertise we can also do that via our platforms.

Or if you have an idea and want to share it please let us know.

I wish you all a lovely sunny summer holiday and we will see you in the new academic year when we can share the new building with the community.

Mrs Colledge-Smith

Water Safety

Please reinforce the messages that have been shared with students about water safety and protecting themselves. More and more lives are lost each year. There has been a recent death nearby at Methley Bridge and the father of this young person has shared his thought on this tragedy - [Link](#)

City Fields Newsletter 6 2022-23

Gone but never forgotten

We have unfortunately had the sad news that Katrina Bell a loved and trusted colleague passed away at the weekend due to an illness. She was greatly admired by her colleagues, and she was adored by the students she helped. Her kindness was her biggest asset and she will be greatly missed. We have held a minutes silence in remembrance of her commitment and service to young people and the support she offered to her colleagues. Our thoughts and prayers are with her family as they grieve.

Rail and Road Safety

As equal to water safety the rail network areas and road can also be dangerous places. Please be vigilant. Remind young people not to be distracted on their mobile phones and think before crossing roads and rail lines.

Goodbye to Year 11

Goodbye & Good Luck to our Year 11 leavers. We wish you all the very best with your next ventures whatever they may be and wish you all every success in the future! From all the staff at City Fields.

Year 11

Class of 2023
2018-2023

SAVE THE DATE YEAR 11

Year 11

Remember to collect your results 24 August 2022

Time - 10:00 am - 12:00 am

Location - Bistro

If you cannot attend on the day your results will be posted home.

Results collected by someone else - If someone is collecting on your behalf they will need to come with a letter from you - the student involved. Please alert us to this prior to the day via enquiries@cityfields.outwood.com

Year 10

Remember to collect your results 24 August 2022

Time - 12:00 pm - 1:00 pm

Location - Bistro

We are very proud of all those students who worked their hardest this year to achieve their best possible grade.

Dr Jo Saxton, Chief Regulator, Ofqual and Clare Marchant, Chief Executive, UCAS have composed a letter to share with students regarding their exam results a portion is below and there is a link to the full document.

Dear student,

For those of you receiving your results this summer we know you might have questions about how your results are determined, results day, confirming offers and Clearing. Such as, what are your options on results day? What happens if you change your mind about your choices?

Here are a few things to remember:

- Your work is marked and graded by expert examiners. They do not know your name, which school or college you attended, or where in the country you live. Ofqual makes sure that the rules are the same for all students taking the same qualification.
- All students are assessed on the same basis and your grade is determined solely on your work. Whatever your results, you can be confident that it's no harder or easier to achieve a particular grade in the same subject no matter which exam board's GCSE or A level qualification you took.

The rest of the letter is linked below:

<https://www.gov.uk/government/publications/a-letter-to-students-from-ofqual-and-ucas/a-letter-to-students-from-ofqual-and-ucas>

Update from PC Gray

I have very much enjoyed my first year at City Fields. I have enjoyed meeting the students and hopefully I have been able to help some of you with issues in the community.

Just a reminder that it is currently an offence to ride an e-scooter in a public place. They are classed as motor vehicles and as such insurance is required. As well as this, they can pose a serious danger to the rider and other members of the public.

There have been reports of gel blaster type guns being used by pupils in the community. Whilst these are legal to use in public and can be great fun, if they are fired at members of the public then it is likely that offences would be committed.

I hope you have an enjoyable summer break.

Outwood Academy City Fields Welcome Caterlink

We are delighted to work in partnership with our school meals provider Caterlink, who will prepare, cook, and serve from our onsite catering facility.

Caterlink provide a menu that is packed full of choice, and we encourage all our pupils to eat a rainbow of fruit and vegetables. We want to provide your child with a nutritious meal, but we also want them to have fun! Whether its National baking week or Best of British, Caterlink run themes to bring something new to the table for your child to try. Beyond the dining room, their dedicated Development Chefs offer classes to teach children the basics of cooking as well as food education assemblies in school on the importance of making healthy choices.

At Outwood Academy City Fields, we recognise the important connection between a healthy diet and a student's ability to learn effectively. To reflect this, we have the following aims:

- **To ensure nutrition and a healthy diet has a prominent place in school life;**
- **To offer healthy food and drink choices at all appropriate opportunities;**
- **To increase student knowledge of different food types in the context of a balanced diet;**
- **To ensure that food provision in the school reflects the ethical and medical requirements of staff and students (religious, ethical, vegetarian, medical and allergic needs).**

NB: Meal Deals will increase to £2.50 from September 2023.

Student Voice

Gardening Club Trip

Gardening club supported Outwood Park Hill to create a sensory garden. Students supported younger students and staff members to create a calm outside space.

Gardening club used the skills they have learnt this year and also got to learn new skills which we can bring back to City Fields.

On 19th July 3 members of Student Voice attended the Climate Change and Sustainability conference to discuss what City Fields has introduced over the last year and also plans for the coming year. This year we have introduced a drink station next to the Bistro to reduce the amount of plastic bottles used within the school. We have had some great feedback about the water station.

“Please keep it” “Saved me lots of money” “ I use it everyday ! ”

Students have also attended the annual conference at Leeds United. City Fields was celebrated for the sustainable changes it has made. Students asked key questions and made some excellent proposals.

Annual Picnic

In our final term we held our annual Picnic for charity. This year raised money for the NSPCC. Students donated money to enjoy an extended lunch of 45 minutes. They were able to purchase tasty picnic food arranged by our amazing catering team. Even the weather didn't spoil our fun!

This year has been a very active and successful year for Student Voice. Khalid our Prime Minister and Vicky our Deputy Prime Minister have worked relentlessly through the year with their team of 40 students. They have worked on a number of projects many of which they have planned, and executed independently.

Would you like to be part of Student Voice 2023 - 2024?

Do you have what it takes to be the next Prime Minister?

Stay tuned for more information!

Congratulations you have made us very PROUD!

The Rowing Team was joined by the CEO and other board members of London Youth Rowing. They came to see how we were utilizing the rowers and the commitment of the students at this after school club. In addition they have been rewarded with a trip to the water where they challenged themselves on different rowing equipment.

Hepworth Art Exhibition

Tuesday night (the 18th) saw the annual OGAT artist of the year competition at The Hepworth Gallery. There were over thirty pieces shortlisted for the event, chosen from all of the schools across the Trust. There were two pieces from City Fields chosen for the final. The KS3 piece was a large scale collaborative drawing made by students from all abilities from across year 8 & 9.

The KS4 piece selected was by Maahi Dahiya of year 11. It was a mixed media drawing inspired by the work of Idris Khan and in response to the starting point 'Layers'.

The event was really well attended by students and parents/carers and it was an excellent evening and celebration of the many talented students here at City Fields and the other schools spanning the trust. The winning entries were of a really high standard, as was all of the work shortlisted.

Speak Up at the OGAT Conference

Students at City Fields have been working on a national project to share their voice. During year 1 they have developed their manifesto and had the opportunity to share this at the OGAT conference to over 48 Principals and members of the teaching community. Their amazing voices were simply brilliant and I was very proud. They will be taking this show to London in the next few years, so watch this space.

Trips & Events

Flamingoland

Well done to the team who won the Cornwall challenge. Unfortunately their trip did not come off as we had wished but we treated them to some fun at the zoo to recognise their achievements in winning the prize.

There have been so many great events on this year. So watch this space for future events. If you know of something happening to support young people and you think it would be good to share please let us know using the enquiries email address.

Recent Highlights:

- Year 7 positive choices event girls self defense
- College taster days
- University taster days
- Trips to Pontefract and Hornsea
- Rowing trip

Red Flag Production - Domestic Abuse

During the summer term we had an amateur dramatics company come into school and deliver a production to year 8, 9 and 10 students around domestic abuse. The event was well received by the students and educated them on the signs of domestic abuse and what to do if they found themselves in challenging situations.

Praise Event

As an end of year reward, selected students were treated to an range of inflatables to reward them for their hard work, commitment and great behaviour and attendance throughout the year. Despite the weather which tried its best to dampen spirits, it was well received and students had a great time.

The criteria for students was:

- Less than 5 detentions all year
- No isolation, suspensions or direction to other schools
- Attendance 95%+ unless a valid reason

At the time of writing students have amassed over 50,000 + praise points. That figure is just over 1 thousand praise points more than this time last year. In addition over 1500 more Super Star Student nominations have been made this academic year to date in comparison to this time last year. Well done to all students that are working hard and going above and beyond in lessons.

Praise

Friday 5 Surprise!

Congratulations to the following students who have won Friday 5 surprise this half term. They have won for outstanding work throughout the week, Joemard Abbas, Suman Zaman, Ruby Womack, Gold Solomon and Mamonyuma Touray Jagana are to name a few.

SuperStar Students

Congratulations to our hard working students who have been nominated the most time this half term for SuperStar Student. They've gone above and beyond in lesson and around school. Well done.

Totals to Summer (Since Spring Bank)		
Year	Praise points	Superstar students
7	1537	78
8	1342	52
9	754	44
10	512	26

Big Summer Praise Challenge!

Over 450 entries into our Big Summer Praise Challenge saw students receive over 19 praise points each in a two week period. Congratulations to our prize draw winners who won one of the following Smart watch, Amazon Echo, Gameboy games console Emulator, Amir Oladele, Minaa Ali, Praise Aibuedefe, and Ennyola Shoyombo.

Praise Point Draw

Congratulations to the winners of our Summer Raffle Draw students. All students who received a praise point entered the prize draw. Our winners: Katrina Livmane, Laiba Imaan, Aaron Laws and Jakub Wiklo all receive a £10 Love2shop voucher. Well done.

Next Year - Dates for the diary

"Call an EIT"

Do you have worries about your child's return to school in September?

Would you like strategies on what you could do to try to help your child?

Would you like to speak to somebody and get advice on what could be done to help?

If you have answered 'yes' to any of the above, then the "Call an EIT" service is available for parents and carers throughout the school summer holidays.

We have Educational Improvement Teachers (EITs) available to take your call to listen to your worries and provide support and impartial advice.

The EITs are available to take your telephone call on the following dates:

Tuesday 15 th July	
Tuesday 21 st August	
Tuesday 28 th August	
Tuesday 12 th September	9.30am - 12.00pm
Tuesday 19 th August	
Thursday 22 nd August	
Thursday 29 th August	
Thursday 5 th September	
Thursday 12 th September	

BACK TO SCHOOL

If you wish to "Call an EIT", please call the Educational Psychology Service on **01924 307403** and ask to speak to an EIT.

If you would like to alert us to any community events or want to share anything please let us know - enquiries@cityfields.outwood.com
