

3 May 2022

Dear Parents/Carers

Our Year 11 students have been working hard to meet their goals and achieve everything they need to before they start the formal exam period. This is a crucial time for students so every effort from staff, students and parents/carers is needed for them to succeed. We are now looking at how we support students over the exam weeks and how we will end the year.

### **Support over the exam weeks:**

The formal sit down exams start on Tuesday 17 May. Students will be in the academy full time until the end of Friday 17 June. During this time students will have a timetable specific to the courses they are taking which is a mixture of their current timetable and masterclasses on the run up to each exam. It is important that all students attend over this time for their lessons, masterclasses and the actual exams. **It is vital that students are present for every exam applicable to them unless they are positive with Covid. If your child does contract COVID we would recommend that they isolate for three days as per the guidance. We can apply for special considerations and as long as your child completes the remaining papers of their exam component.**

### **Week commencing Monday 20 June:**

From this point on students will be working from a personalised timetable based on the exams they have left. All students must attend their registered sessions. The plan is below.

**Friday 24 June**, is the official leaving date. From this point on students will be offered a **virtual learning platform. These sessions look at preparing for Post 16 learning including masterclass introduction lessons to Level 3 (eg A-Level) courses, an 'independence' curriculum and a continuation of our careers programme including meetings with advisors where required.**

### **Leaving event on Tuesday 28 June:**

On Tuesday the 28 June 13:00 - 3:30 students will be invited back to school to attend a leaving event where they can share stories and experiences, take part in shirt signing and there will be prizes and awards.

### **Trip Wednesday 29 June:**

As a student body, Year 11 opted to change the Prom for an event in school and a trip. They have voted and decided on the venue and the cost of the trip will be confirmed soon.

**IMPORTANT - To attend the trip students will have to have 100% attendance from the 3 May until their final exam (this does not include the authorised day for Eid and COVID absence)**

**GCSE results day is Thursday 25 August** . This will be when students will receive their statement of results. Further information will follow regarding this day and for the collection of the actual certificates in the Autumn Term. It is very important that students collect these certificates as they will need these as evidence for their future courses and careers. They are very expensive for you to purchase in future years from the exam boards if not collected from us.

On behalf of all the staff in the academy, thank you for working with us to support your child.

Yours faithfully
