

February 2023

Dear Parent/Carer

## March Mock Assessments

Please find on the reverse of this letter a list of mock assessments for Year 11 starting on Monday 6 March 2023. Students have been working hard with their classroom teachers to prepare for these mock assessments. The purpose of these assessments is to gauge the current level of work of students, provide clarity on what students understand and to further inform the teacher of where there are gaps in knowledge.

A secondary purpose of this assessment period is to prepare students for sitting an exam in exam conditions with invigilators which is something we feel students need to be prepared for.

Breakfast is available free of charge from 8 am in the Brasserie. Students must be on site by 8.15 am to get registered before an exam. A pre exam brief will take place in the Brasserie by a lead teacher of that subject before students are led to the exam room for the published start time. Please note that where exams run over the normal academy finish time alternative travel arrangements may need to be made. Students will need to stay for the duration of the examination. Normal lessons will take place when there is no exam.

Please note that due to planned strike action on Wednesday 15 March and Thursday 16 March there may be some changes to assessments due to take place on this date. This will be communicated closer to the time.

Students will need to have familiarised themselves on the Outwood Academy City Fields Information for Candidates document. These are available on google classroom. and on the Academy website. Students have previously had an assembly which highlighted areas of importance.

If you have any concerns or questions relating to exam issues please contact Mrs Steele at school.

Yours faithfully

Mrs Helen Steele  
**Assistant Principal - Deep Experience**

<b>Date</b>	<b>Start Time</b>	<b>Exam</b>	
Monday 6 March	9am	Maths	9am-10.30am
Monday 6 March	1pm	Computer Science	1pm-2.30pm
Tuesday 7 March	9am	English Language	9am-10.45am
