Dear Parent / Carer

We are delighted to inform you that we have managed to secure all Year 11 students the opportunity to work with Elevate Education to look at study skills, motivation, and wellbeing in preparation for their exam series. The session will take place February 3 from 1:30 pm until 2:30pm and will look at using Mnemonics and key skills that students need to stand out in their exams.

Alongside this session Elevate Education also offers the opportunity for partners/carers to get involved via online sessions. These sessions will look at how you can help your child to revise and succeed in their exams.

- How to Help Your Child Make Better Notes - 17 January
- How to Help Your Child Improve Their Memory - 7 February
- How to Help Your Child Prepare for Exams - 28 February
- How Your Child Can Maximise Marks in the Exam Room - 21 March

Please follow the following link to register for the sessions - <https://get.elevatecoaching.info/uk/schoolwebinar>. This will also be sent out to parents/carers via text message prior to the sessions.
