Year 11 Enrichment

Day	Subject
Monday	Science
Tuesday	Careers Peer Mentoring Humanities Triple Science
Wednesday	Targeted Maths & Options
Thursday	Targeted English & Options
Friday	Options

Make sure you have downloaded google classroom to the devices you use. We can keep in regular contact with you via this method. Remember to join your classrooms - including Y11.

A little bit goes a long way! 20 mins, 30 mins or 60 mins makes a difference, but this needs to be booked in advance.

Every second counts.

Each week we will also post some additional enrichment opportunities and activities for you on Google classroom.

Please check your emails each day for updates.
