Wakefield College Taster Day

Dear Parent/Carer,

I am delighted to invite your child to take part in Wakefield College's Taster Day on **Thursday 30 June 2022**.

Taster Days provide a fantastic opportunity to visit the College and spend the day as a College student. Students will have the chance to try out a range of subjects, see the facilities and work with the teaching staff at one of the Wakefield College campuses.

Students who are attending the Wakefield Campus in Wakefield town centre will be asked to make their own way there and meet Mrs Alderson in the reception area to be signed in and given an attendance mark. On arrival, students will receive a personalised timetable and will be provided with a free lunch. Students attending the Castleford Campus will be asked to meet at the academy at normal time and will be transported by coach. There will be members of academy staff at both campuses to help and support your child on the day.

The intention is for your child to come and have fun, ask questions and find out if Wakefield College is the right place for them. The over-arching aim is to support them to make an informed and correct decision about where they would like to study after Year 11.

Your child will choose the subjects they would like to study on the taster day. We will do this in tutor time in school with the support of their tutor and Mrs Alderson.

Please complete the following link to give permission for your child to attend the taster day. You are also giving permission for your child to make their way to and from Wakefield College if this is where their chosen subjects are taking place.

Please note the deadline to give permission is Friday 27th May.
